A pixelated, black and white representation of the uppercase letter 'U'. The letter is composed of a grid of pixels, with a thick vertical stem on the right side and a horizontal base at the bottom. The edges are slightly blurred, giving it a soft, hand-drawn appearance.A pixelated, black and white representation of the uppercase letter 'W'. The letter is composed of a grid of pixels, with a thick vertical stem on the left side and a horizontal base at the bottom. The right side of the letter is formed by two diagonal strokes meeting at a point, creating a 'W' shape. The edges are slightly blurred, giving it a soft, hand-drawn appearance.A pixelated, black and white representation of the uppercase letter 'L'. The letter is composed of a grid of pixels, with a thick vertical stem on the left side and a horizontal base at the bottom. The edges are slightly blurred, giving it a soft, hand-drawn appearance.A pixelated, black and white representation of the uppercase letter 'Y'. The letter is composed of a grid of pixels, with a thick vertical stem on the left side and a horizontal base at the bottom. The right side of the letter is formed by two diagonal strokes meeting at a point, creating a 'Y' shape. The edges are slightly blurred, giving it a soft, hand-drawn appearance.
